(Examiner/SPE Signature)	(Applicant	/Applicant's Representative Si	gnature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: examiner noted that the dependency of claim 11 was inadvertantly dropped on 16 July 2004 amendment and a correct set of the claims would include the dependency of claim 11 on claim 10, which appears to be applicants' intent. Said amendment would be proper since it places the case in beter form for appeal.
